CASCADA is a stainless steel piece that unfolds to transform into a table, bench, shelving unit, or small ladder. Its different levels create a sequence that follows the user's movements, allowing for multiple uses. The metallic surface enhances its transformative nature, creating a dynamic interplay of light and shadow that emphasizes a sense of movement. The piece is perceived as a system that articulates actions, objects, and space.

Materials

10-gauge stainless steel sheet, precision cut and continuously welded.

Dimensions

D 33 x W 52 x H 54 cm (13.0 x 20.5 x 21.3 in)
