CANALES**

COLMENA translates the logic of the Unfolding Collection into a more intimate scale. Its proportions bring the object closer to the user, emphasizing direct interaction and making touch and movement an essential part of the experience. Conceived as both a side table and a bench, the piece unfolds in two directions, allowing it to adapt to different uses and everyday situations.

Materials

Wood Purpleheart / White Oak

Dimensions

D 40 x W 50 x H 30 cm (15.7 x 19.7 x 11.8 in)

Weight

25 kg (55.11 lbs)
