CANALES**

GUARIDA is designed to be a personal space that can be used in different ways, such as a workspace, a place for introspection, or a place for leisure. It is organized as a system of wooden components that open, fold back, and conceal themselves. Elements that are activated for different uses are incorporated: a bench appears, a side table emerges, and the main surface extends.

Materials
Wood Purpleheart, White Oak

Dimensions
D 60 x W 180 x H 95 cm (23.6 x 70.9 x 37.4 in)
